Charlie Bird Development Fund (CBDF)

Travel Grant Application

Background

We are so thankful to Charlie and Claire who have dedicated all their time and energy to making their "Climb with Charlie" so successful. It is their wish that monies raised for IMNDA go towards a project that makes a difference to the lives of those who live with this disease.

The IMNDA's Mission is to support people living with motor neurone disease (MND), their families and carers through advocacy, home and professional support. We keep clients at the heart of everything we do that we understand the impact of our work.
